#### ARIZONA RAILROAD VALUATIONS FIXED

Southern Pacific Pays the Largest Tax: Et Paso Road Next.

Tombstone, Ariz, June 15 .- The railond valuations for 1311 in Arizona for taxation purposes was fixed by the territorial board of equalization at \$16,633,681.15 The total valuation of all | railroad properties, including exempt property, foots \$25,123,939.60. The net result of the action of the board of railroad taxation will this year show an increase of \$5,824,033.15 over last

The largest tax on Arizona roads is the Southern Pacific company, with 392.50 miles of main line valued at \$17,500 per mile; total, \$6,868,750. The El Paso and Southwestern company comes next with 89.40 miles of main line valued at \$13,000 per mile; total \$1,814,670.

The properties assessed passing through Cochise county are as follows: Southern Pacific railroad, \$6,868,750. El Paso and Southwestern railroad, \$1,814,670.

A. & E. (Cochise division), \$110,187. Arizona and New Mexico railroad, \$400,000. Johnson and Dragoon railroad,

\$4100. El Paso and Southwestern (Court-land branch), \$235,092.50. El Paso and Southwestern (Tomb-stone branch), \$69,750.

The two latter items appear on the rolls for the first time this year, the tax exemption time have expired. Since the first of the present month there has been paid into the county treasury by different property holders the sum of \$1300 due the county for back taxes for the year 1910. It is expected that this amount will be dou-

bled by the end of the month.
